

FIM Enduro Vintage Trophy – Terra Única

Deep in Litoral Alentejano's heart, where life is taken slow and an endless sea emerges on the background, we meet Santiago do Cacém – Terra Única. A place of natural beauty and gastronomy which combines the best of ALENTEJO with the seaside flavors. It's here, between September 29th and October 2nd, where the FIM Enduro Vintage Trophy will take place!

Until 2021 this class was included on the ISDE but with the emerging expression and dimension, this sport is reuniting old friend and tales, making this event spectacular since the Presentation Parade until the last Cross Test.

Santiago do Cacém stages again an International Race, after the success of the Enduro GP Terra Única. The FIM, FMP (Federação Portuguesa de Motociclismo) and Clube Motor Sport de Vila Nova de Santo André, in collaboration with Município de Santiago do Cacém and Freguesia de Vila Nova de Santo André join forces to welcome you in these 4 days of Classic Motorcycles Races.

There are two Trophies, the Vintage Veterans Trophy (National teams with 3 riders, at least 50 years old, selected by each Federation) and Vintage Silver Vase Club (3 rider's team with 40 years old minimum). You can also participate individually.
